

Greetings Awesome Parents!

The Kids Ministry Team is so excited to offer this season of Winter Fort. For the next 8 weeks, kids will be learning how to **ARTICULATE** the basic doctrine of our faith outlined on the "What We Believe" page on the RHCC website.

Each week, kids will spend time in three rotations:

- \* LEARN IT (Faith Skills)
- \* PLAY IT (Group Games)
- \* MAKE IT (Craft Time)

During LEARN IT, kids will be learning core truths about:

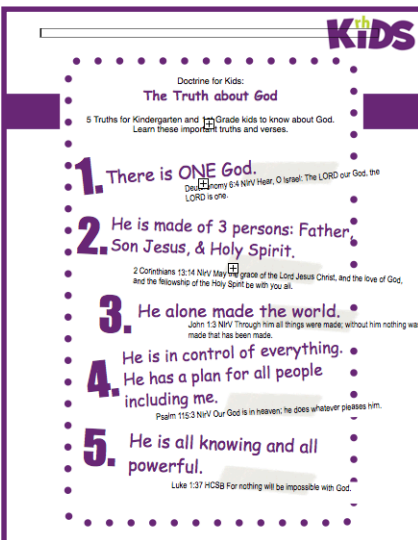

- \* God
- \* Jesus
- \* the Holy Spirit
- \* the Bible
- \* Man
- \* Salvation
- \* Eternal Security
- \* and Baptism

Kids will also be taught and challenged to learn a basic Gospel Presentation so that they can communicate the truth about having faith in Jesus.

2nd-5th Graders will also be challenged to learn the Apostle's Creed!

Each core truth is accompanied by 5 statements and 5 verses for kids to memorize. As they memorize core truths and core verses, they can recite those for points each week. Starting Week 2 (January 18), the prize store will be open each week for kids to trade points for prizes.

During MAKE IT, the kids will be composing a journal that they'll build on each week. It has activities and prompts for kids to draw and write what they're learning. Plus, it will contain a copy of each of the Truth Pages we're learning throughout Winter Fort.

**HOMEWORK:** Each week, you'll go home with a copy of the core truths for your child's age group. This is your chance to help them really solidify their learning. Memorization is only one way kids learn. Conversation is perhaps a better way. Spend time talking to your kids about the core statements. Spend time reading the core verses and the passages they come from during your family Bible time. Should you miss a week, this handout will be made available on the RH Kids Blog on Thursday of each week.

As always, if you have questions, please contact Nic anytime. We welcome your feedback and would love to know how this is impacting your child and your family.

Thanks for being part of FORT@1810: ARTICULATE. Blessings to you from the RH Kids Ministry Team!

Nic, Joni, and Nick
